

LOS CIGARROS FARADN

ithisi, shore recuerdo, era un prospecta de una egencia de viajes. Jamés hubiero dejado escapar el inestinable papiro del plano de la tumba del fareón Kili-Oskir. Todos los sebios que intentaron hellar esta sepultura...

Son los cigarres del antique consejero de Su Altera... Sobia que tenía muchos, a como no quede ben otros, los hetraido.

Ese es, les mismes cierres que estaban en la entrada y en el interior de la fumba de Kih-OsKh... Los mismos del coronel grabe... Examinames su condenido...

¡Yame lafiguraba, no hay toles cigarros i Sencillos estuches para tabaca... y dentro jopio! ¡Así es como esos bandidos sa burlahan de la pelicía!

Se comprende que las aventuras de Tintin en Extreme Oriente no kan terminado. Continúan en EL 1070 AZUL.
